

Find a Gym Assistant member by phone number or email address

Fastest method: On your keyboard hold down the “Ctrl” key then press the “F” key. This will open up the dialog box below. Enter a phone number or email address then click OK. The member associated with the information entered will appear on the screen.

A screenshot of a Windows-style dialog box titled "Gym Assistant" with a close button (X) in the top right corner. The dialog box has a light gray background. At the top, it says "Search for text:". Below this is a white text input field with a blue border. At the bottom, there are two buttons: "Cancel" on the left and "OK" on the right. The "OK" button has a blue border, while the "Cancel" button has a gray border.

Other method: On the menu bar click Member/ Find member. The dialog box above will appear. Enter a phone number or email address then click OK. The member associated with the information entered will appear on the screen.
