How to Set Up Online Connect in Gym Assistant

How to Set Up Online Connect September 2024

Introduction

This process provides you ability to connect to our servers to be able to send SMS messages, emails and do an Online Backup from your Gym Assistant. Please be aware that the use of our server is only available with paid yearly support. In the event yearly support is expired, the functions that require the use of our server will be discontinued until support is paid.

Be in the Gym Assistant program.

• Begin by clicking **Settings > Online Connect.**

Gym Assistant - Mini 250 'ORVILLE' (#4) on 'ORV File Edit Member Reports Billing Document	/ILLE' Path=C:\Gym / s Portal Settings	ALL Settings Preferences Program Options Automatic Updates Appearance Membership Options Membership Plans Punchcard Plans Day-Pass Plans Punchcard Add-Ons Monthly Add-Ons Measurements Custom Fields Pre-Filled Lists Daily Schedules	Test Date!

 If you already have a Password indicated by the asterisks in that field > click Test Connection. If it says You have successfully connected > click OK, and then OK again, and you will now be able to send SMS messages and setup the system to send emails and do an online backup in Gym Assistant. Please refer to instructions on How to Setup Email to complete the process of being able to send emails and How to Setup Backups in Gym Assistant to turn on the ability to Backup Data Online.

Online Connect Settings X					
You must create a password for your Online Connect account. This password will only be used for your Online Connect account. Gym Assistant will remember the password, so you won't have to. If you ever need your OnlineConnect password, contact Gym Assistant Support.					
Password:	*****	Test Connec	ction		
Setup New	/ Account	Cancel	ОК ?
